ARRIS  cast

The exclusive line of Arriscraft cast stone products
to complement Renaissance® Masonry Units

ARRIS■cast

Add Detail ■ Add Value ■ Add ARRIS■cast

Arriscraft is the industry leader in product quality. Our tradition of excellence continues with ARRIS■cast Cast Stone. Now for the first time, you can order cast stone to complement our exclusive Renaissance® colors. Select key stones, quoins, arches, sills, wall caps, window and door heads, and surrounds to complement Renaissance® colors as finishing touches for your projects. We're committed to helping you complete your project with the detail, quality and service you have come to expect from Arriscraft International.

ARRIS■cast uses the vibratory dry-tamp production method, providing a final finish that resembles a fine cut limestone. For further information visit www.arriscraft.com.

NOTES

Colors and textures have been reproduced as closely as the printing process allows. Final selection should be made from actual samples.

ARRIS■cast units must be installed using industry recommended materials and techniques and conform to all related building code requirements. Proper care, installation and cleaning are required for warranty validation.

Refer to Product Data Sheet 04 72 00-2US (04720-2US) for complete technical details.

Visit our Website at www.arriscraft.com for more information, or contact us at 1.800.265.8123.

ARRIS■cast ADVANTAGES

- Integral water repellent imparts low, controlled absorption
- Glass fiber reinforcing for strong edges, optimal flexural strength, and low shrinkage
- Stable colors that complement our Renaissance® Masonry Units and Building Stone product colors
- Fine-grained finish
- Severe weathering units, meeting the requirements of ASTM C1364, Standard Specifications for Architectural Cast Stone.
- ARRIS■cast units are covered by Arriscraft's unique Lifetime Product Warranty
